Dear Donor(s),

Thank you for your support of Colussi Family Foundation / Give Basic Needs and for helping sustain our mission of increasing happiness while reducing suffering. With your newly minted NFT purchase, we will complete several major giving projects making a real impact to those in communities around the globe. Your contribution helps us keep shoes on the ground, and critical support to those less fortunate.

Now more than ever, we have a sincere appreciation and understanding of what real suffering can mean to people. We couldn't do this work without you. We're most grateful for your support. Thank you!

Pay It Forward,  
Luke
